A PIECE OF ART TO
ENHANCE YOUR
ASTHETIC

At MPG Stone, we believe that true beauty endures. For generations, natural stone has been celebrated for its strength, character, and timeless appeal. We harness this inherent artistry to create exquisite planters that don't just hold plants, but elevate entire environments.

Each MPG Stone planter is more than just a container; it's a statement piece, meticulously crafted from the finest natural stone. From the rugged charm of sandstone to the sophisticated allure of granite, our collection offers unparalleled quality and unique aesthetic diversity.

Transform your gardens, patios, interiors, and commercial spaces with the enduring elegance of MPG Stone. Let nature's masterpiece enhance your own.

About Us

MPG Stone was founded on a passion for natural beauty and a commitment to exceptional craftsmanship. With decades of experience working with the earth's most magnificent materials, we've cultivated a deep understanding of stone's unique qualities and potential.

MPG Stone envisioned promoting Indian natural stone to a laudable position across the globe. Over three decades, we have earned a prominent position in the Mining of Natural Stones and exporting them to the rest of the world. We are one of the largest manufacturer and supplier of Indian natural stones like Porcelain, Quartz, Slate, Sandstone, Limestone, Granite, Marble, Travertine, Quartzite, Mosaics, and Veneer which are mined and processed at our own quarries and factories. Our product ranges from Tiles, Slabs, Flagstones, Mosaics, Borders, Counter Tops, Medallions, etc. of supreme quality and precision. MPG Stone continues to grow and is continually expanding to accommodate the ever-changing tastes and trends of the Stone industry. At MPG Stone, we are more than just manufacturers; we are custodians of a timeless craft. We are dedicated to providing our clients with unparalleled quality, distinctive designs, and a piece of natural history that will bring lasting beauty to any space.

WHERE NATURE'S
GRANDEUR
MEETS HUMAN
INGENUITY.
